Allied Health & Therapeutic Services							
Services sourced through approved external providers attract individual quotes: Allied Health, Aids, equipment and home modifications.							
Notes							
• Weekday after-hours services are delivered between 8 pm and 6 am. • A late cancellation occurs when less than two business days’ notice is provided. A cancellation charge may apply. • Service duration is based on the participant’s assessed needs and agreed service arrangements. • From 1 October 2026, approved personal care falls under the Clinical Supports. Participants will no longer make personal-care contributions.
